# Key Points.....

The tops of all units have soft rounded corners and smooth profiled edges. Low level units are filled with a vertical rail at the back to prevent anything falling behind the unit and being lost.

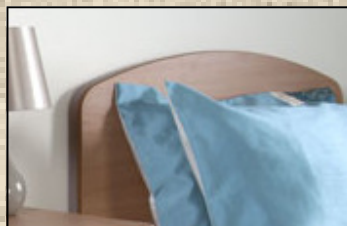

Drawer fronts have a soft rounded corners and profiled edges with the option of large scoop detailed handle.

Mirrors have the option of being folded closed, as reflections can cause distress and upset if they do not recognise themselves.

Our unique open section on the wardrobes allows the clothes to be seen, touched and accessed very easily, because this section is open it means that there is no glass or polycarbonate door panel which may cause distress due to reflections and access confusion.

The headboards have large smooth rounded corners, these are made from laminated boards which are hygienic, easy to wipe and keep clean.

*5 Year  
guarantee*
