

Dining Room Tables

Our wide range of tables are available with standard top (beech veneer on an 18mm MDF core) or HPL tops (high pressure laminate on a 25mm MDF core). The latter is ideal for more demanding situations. Tops can be supplied round, square, rectangular or oval to a range of standard (or bespoke) sizes. All 4 legged tables are available with square, taper or cabrio legs.

Our extreme tables feature oversize legs and rails, and reinforced joints for outstanding strength. All tables are available in all 6 wood colours except the Skittle table which is only available in natural.

Dining Table sizes and Prices

The polishing system complies with BS6250 and utilises **Medicoate Lacquer** on all show wood surfaces. This system resists microbial growth to combat the spread of infection both in medical and non-medical uses.

Show wood on our furniture is hand stained and sprayed using between 2 and 4 coats of lacquer. The lacquer is water based to reduce VOC emissions to the environment.

We offer the 6 wood shades below, but, we can **colour match** on larger orders if required.

All Made in England
