

WACMAT[®] *ultra*

Washable protection for your carpets

The WACMAT[®] has been the leading washable carpet protector for Care Homes since 1997. Now it has a rival!

Following advances in textile structure technology we have now been able to develop the new WACMAT[®] *ultra*, utilising the latest Solution Dyed fibres to ensure an *ultra* long life, combined with a very high level of liquid retention.

To complement this hi-tech surface we have also employed the next generation of nitrile rubber backing, coupled with an *ultra grip* under-surface texture. This construction ensures maximum resistance to tearing, rippling and 'creep', as well as providing a significant reduction in weight.

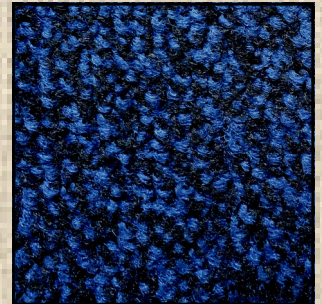

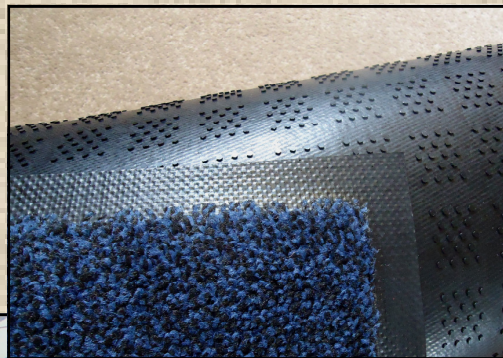

Unparalleled high absorbency fibres

Lightweight, flexible and easy to launder

Three Year Guarantee!

Revolutionary no fade, wear or tear

Anti creep, anti ruckle, and stays flat
